December 2019

Keep in touch with the RI Board decisions

Did you know that in October 2019 the RI Board made exciting changes to Rotaract policies? Learn more about how these changes were made, and how the evolution of Rotaract will impact the clubs and districts [on this page](#).

The RI Board meets on a quarterly basis to establish Rotary's policies and provide guidance to help clubs thrive. If you wish to know more about the Board's meetings and stay informed about its decisions, we recommend you have a regular look at [this page](#), where you will find a summary of the most important decisions taken at every meeting; as well as the complete minutes. Each meeting of the RI Board is followed by a revision of the [Rotary Code of Policies](#), available online at Learning & Reference, under "Governance documents".

For District Governors

Clubs to report incoming officers

The last day for Rotary clubs to select incoming officers for 2020-21 is 31 December, 2019. Encourage your clubs to report incoming officers and their e-mail addresses [online](#) via [My Rotary](#), or in the local database for data-integrated clubs.

Only current officers who are reported in the Rotary database, and have an active My Rotary account, can enter the names of their successors in My Rotary.

For District Governors-elect

District Appointments

Please report your 2020-21 district committee chairs, district Rotaract representative and assistant governors to RI by 31 December 2019. Get started in [My Rotary](#) by following the path: Manage | District Administration | Add/edit/remove Committee Officers and Manage | Assistant Governors and Club Groups.

Please encourage continuity in the appointment of district Membership chairs, Rotary Foundation chairs and International Service chairs. Talk to your predecessor and successor as needed.

Lastly, please note that District Executive Secretaries may be granted special access rights for managing club and district data, on behalf of the governor. If you are interested in learning more about this role, please contact your CDS team.
